

Hunger Never Sleeps

Join us for **Hunger Never Sleeps**, a 24-hour volunteer event at Second Harvest Food Bank of Central Florida! From dawn to dawn, corporate teams, community partners, and caring individuals are invited to roll up their sleeves and take action against hunger. Over the course of six energetic three-hour shifts, volunteers will help sort and box food for local families facing hunger.

With food, music, and camaraderie fueling the day and night, this is more than just a service opportunity—it's a meaningful way to unite around a common cause and make a tangible difference.

Whether your team comes early in the morning, after work, or even in the middle of the night, you'll be part of a powerful reminder that there are community members facing hunger at all hours of the day, and we can do something to solve it.
